About Me

- I am looking to start working on testing video games as a full time job
- As a long time video gamer I have great experience in expected behaviours of games
- I have a keen eye for details and defects
- Having two jobs, I am used to strict deadlines
- I can work efficiently both in teams and independently
- I am proactive and goal-oriented

WORK EXPERIENCE

Bonus Stage Publishing, June 2023 - Currently
Voluntary Game Tester
